KITCHEN RENTAL*

The kitchen shall be cleaned and returned in the same condition as prior to rental.

All food or waste will be removed from the kitchen in trash bags and then removed from the building. A trash dumpster is located at the rear of the building.

If the facility is returned in a clean, undamaged condition, the cleaning deposit will be refunded. However, if the facility is not returned in a clean condition the renter will be billed the actual cost of the cleaning, in excess of the cleaning deposit, at a current rate of \$15.00 per hour. The renter will be liable for the actual cost of any repair or replacement of any damage caused during the renter's use of the facility or kitchen.
